May 21, 2009

Dear Students and Parents:

I would like to welcome all new and returning members of the Pedro Menendez "Falcon Regiment" Marching Band and say that I am looking forward to the opportunity to work with you during our 2009 - 2010 season.

As a member of the falcon Regiment Marching Band your commitment, dedication, and talent are a key factor to the success of this organization. You are expected to put forth your best effort at every practice and performance. To accomplish our goals for this year, it is important that you keep a positive attitude and attend all scheduled practices and performances. The absence of any member of the Falcon Regiment affects the performance of the entire group! Enclosed is a schedule of all rehearsals and performances. Please refer to that schedule to avoid making any conflicting commitments.

The forms enclosed in this packet will provide you and your parents / guardians with all the information needed for Band Camp and the coming season. If for any reason you need to contact me, please E-mail me at : forsyts@stjohns.k12.fl.us, or forband@earthlink.net, or contact Pedro Menendez High School at 904-819-8660 and leave a message.

Sincerely,

Scott Forsythe
Band Director

Not For School
But for Life, We Learn
